

Program Information Package

Paddle Canada Level One Skills Training

Program Description

Our 2-day Level 1 Skills program builds on the skills introduced in the Basic Paddle Canada skills course and includes practical sea kayak training and knowledge for day touring in sheltered coastal waters. Included in this course are weather interpretation, practical navigational exercises and planning and executing a kayaking trip with easy access to communication and emergency services.

This course is designed for:

- Beginner recreational kayakers wishing to increase their knowledge, skills and understanding of weather and navigation for planning a day trip by kayak; and,
- Kayakers continuing on to challenge the Paddle Canada Level 2 skills and Level 1 Instructor award and other higher level awards including Instructor Trainer.
