

## Good Expedition Behavior Guidelines

Updated September 29, 2023

- Be tolerant and respectful of others.
- Maintain your personal health and hygiene.
- Work constructively to address conflict early.
- Work to maintain harmonious relationship with group members.
- Be organized with your personal gear.
- Be aware of your own offensive or annoying habits.
- Be aware of your language and choice of words as it can be offensive to others.
- Be aware of others' sensitive buttons.
- Avoid dangerous activities because they become someone else's problem if they go wrong.
- Be punctual
- Ask for what you need from the group and know what you can give to the group.
- Try to do more than your fair share of group tasks
- Show empathy and help each other
- Act in a non-discriminatory manner.
